❶ If user is a student, V-REP Eval doesn't expire. Otherwise it expires after 1-2 months

❷ Rental version expires after 12-13 months

❸ Rental version has 12 months support, non-rental version has 6 months support

❹ Doesn't require any license key

❺ Requires free registration to activate the save functions

❻ Scenes/models previously saved with V-REP Player or V-REP Eval cannot be modified

❼ Generated movies are slightly noisy on purpose
